| ABOUT

Container Hub Private Limited is a modern infrastructure company headquartered in Delhi, India, established in December 2023 with a clear vision: to deliver high-quality, innovative, and sustainable container-based solutions that transform the way businesses and communities use portable infrastructure. We specialize in designing and manufacturing modular, portable, and customizable container solutions that meet the needs of diverse industries—ranging from corporate offices and restaurants to residential and sanitation facilities. With a commitment to quality, sustainability, and customer satisfaction, Container Hub Pvt. Ltd. is shaping the future of portable infrastructure in India.

VISION

“To provide durable, eco-friendly, and cost-effective container solutions that redefine convenience and mobility “

MISSION

“To provide durable, eco-friendly, and cost-effective container solutions that redefine convenience and mobility “

OUR PRODUCT

RESTAURANT CONTAINER

Looking to start a restaurant, café, or food outlet with a modern twist? Container Hub Pvt. Ltd. offers high-quality Restaurant Containers designed to help you set up a fully functional eatery in minimal time. Built using durable Mild Steel (MS) containers, these units are fully customizable to match your branding and business needs.

PORTABLE TOILET CONTAINER

We manufacture and supply high-quality Portable Toilet Containers designed for construction sites, public events, remote areas, and industrial locations. Built with durable Mild Steel (MS) and fitted with essential sanitary systems, our toilet cabins ensure hygienic, easy-to-maintain, and mobile sanitation solutions.

PORTABLE OFFICE CONTAINER

Could you find a flexible and cost-effective office space? Container Hub Pvt. Ltd. offers top-quality Portable Office Containers that are ideal for construction sites, remote locations, and temporary project offices. Our containers are built using high-grade Mild Steel (MS), ensuring strength, mobility, and long-lasting durability.

OUR PRODUCT

OFFICE CONTAINER

we design and manufacture premium-quality Office Containers that are perfect for construction sites, industrial areas, and remote locations. Our portable office cabins are built using strong MS (Mild Steel) frames, ensuring durability, safety, and mobility.

MS CONTAINER

we specialize in manufacturing premium-quality MS Containers designed for office use, site accommodations, storage, and industrial applications. Built from high-grade mild steel, our containers are weather-resistant, theft-proof, and built to last in tough environments.

MS OFFICE CONTAINER

Portable offices are an excellent choice for businesses looking for a flexible and cost-effective workspace solution. These structures are designed to be easily transported and quickly assembled, making them ideal for temporary setups or remote locations.

OUR PRODUCT

MOBILE TOILET CONTAINER

At Container Hub Pvt. Ltd, we manufacture and supply high-quality Portable Toilet Containers designed for construction sites, public events, remote areas, and industrial locations. Built with durable Mild Steel (MS) and fitted with essential sanitary systems, our toilet cabins ensure hygienic, easy-to-maintain, and mobile sanitation solutions.

PORTABLE SECURITY GUARD

Container Hub Pvt. Ltd. offers premium-quality Portable Security Guard Cabins built for durability, mobility, and comfort. Made from high-grade Mild Steel (MS), our guard cabins are ideal for housing security personnel at construction sites, residential societies, factories, warehouses, commercial buildings, and more.

OLD SHIPPING CONTAINER

At Container Hub Pvt. Ltd., we design and manufacture Old Shipping containers that are perfect for construction sites, industrial areas, and remote locations. Our portable office cabins are built using strong MS (Mild Steel) frames, ensuring durability, safety, and mobility.
